SPORTS DAY 2014 SENIORS

Variety is the spice of life. Life without feasts and celebrations is dull and boring. This is true in case of school life. We had our Annual School Sports Day in the month of February, 2014. It was celebrated with great pomp and show. The day was fine and sunny with a few clouds. **Azhar Ali**, the Pakistan cricket star attended our function as the chief guest.

The programme began with the recitation of the Holy Quran. After it our Sports President Nawaz sought the permission and Mr Azher declared the games open. The athletes who participated staged the March Past and after it different races lasted for three hours where all the contestants participated with great enthusiasm.

During the sports Bravians mesmerized their spectators by showing their talents in Gymnastics, Taekwondo, PT Show, Aerobics and Cultural Dances. Tug of War and Musical Chair between mothers and teachers made the event enjoyable. International Cultural Dances was an innovative idea where the students performed on the Chinese, Arabic and Pakistani cultural songs and received a lot of appreciation. For the first time BTSC Orchard Campus participated in the Annual Sports Day with BTSC Campus Sector B. Students of Orchard Campus won 19 medals in different events of the juniors. worthy Principal Saleem Kashmiri was the Chief Guest. He is a Professor at LUMS, founder of the Laal Band, a social worker, who joined the long march to highlight the issue of the missing people of Balochistan.
