1st Position: Samra Safdar - V Maroon - Iqbal  
House

**Middle School**

1st Position: Muhammad Abdullah Athar - VIII  
Maroon - Salahuddin House

**ORCHARD CAMPUS**

**GARDENING ACTIVITY**

Gardens can serve as living laboratories in which students see and experience first-hand knowledge of what they are learning. In turn they apply that knowledge to real life situations. A garden can provide an opportunity to students to participate in hands-on learning that teaches not only the intended subject but also responsibility, teamwork, and respect for nature. Students of Grade IV- V performed a gardening activity along with teachers in which they got an opportunity to investigate and compare the basic physical characteristics of plants. Students

also got a chance to observe similarities and differences in the needs of various living things.

## ENVIRONMENTAL WALK

To spread awareness regarding healthy environment, students of **Grade V to VIII** prepared a role play activity in the assembly and also made banners with the help of Art and Science teachers. A walk was conducted. Students holding banners in their hands, walked outside the school premises along with the teachers. The main focus was on spreading awareness for a healthy and non-polluting environment and also its effects on the health of living things.

Children got an opportunity to explore the great outdoors and experienced how food grows, how plants survive, how they play an important part in our lives and the overall benefits of natural settings offer.

## CAREER ORIENTED CONFERENCE

A very interesting activity took place at Orchard Campus. This activity focused on early career counseling depending on career related needs one may consider while taking major decisions in one's life. What career to pursue or what major subjects one should choose, are the questions important to parents and students.

They also got an opportunity to learn more about themselves and how to carry out decisions and plans that relate to their life and future career direction. Whether a student wants to join government service or a private job or set up one's own business, this workshop helped students to share their ideas and areas of interest. A power point presentation was given to them so that they should know which future direction they should opt for. This was definitely a very good effort by the teachers for students as they need an exposure to the myriad of occupational options before them.

## TRIBUTE TO YOUNG MARTYRS OF APS PESHAWAR

Bravians gathered in the morning assembly in the memory of martyred students on 15th December, 2015 and paid tribute to the departed souls. It was the first death anniversary of students who had embraced martyrdom in the terrorist attack on **Peshawar's Army Public School**. A prayer was held and candles were lit by the students at Bahria Town School Orchard Campus and a message was conveyed to the enemies of Pakistan that the country would not give up into their threats and would continue to educate people to get rid of the scourge of terrorism.

## INTER-SCHOOL BILINGUAL DECLAMATION, 2015

Inter School Bilingual Declamation was held on Saturday 5th of December, 2015 in Sector C auditorium. Ten renowned schools of Lahore participated in the contest.

The student council which was on duty welcomed the guests. They played their role well in maintaining the discipline with **Mr Arshad Qamer** and other staff on duty. Our event in charge **Ms Sadaf Siddique** gave the auditorium a lively look and our guests were pleasantly surprised to see the way it was decorated for that special event.

The event was organized by **Ms Shagufta Ijaz** and **Ms Sunnia Malik**. There was a panel of judges, which comprised of **Ms Samina Naeem & Ms Rafaqat** and **Ms Nabila Rasheed & Ms Raabia Tanveer** for Urdu and English debates respectively.

The college Head Boy **Akhmas Baloch**, Head Girl **Mariam Akber** and President co-curricular activities **Gulnawaz** were hosted the show. Akhmas Nawaz and Mariam Akber's assertive style was appreciated by the audience and Gulnawaz's witty remarks made everybody laugh.

Our Speaker **Bilal Shahid**, **Gulnawaz** and **Kashmala Pervaiz** mesmerized the audience by their bold style and forceful arguments. They were not competing as they were the hosts. The guest teams were called one by one, they came well prepared and got a lot of appreciation from the audience.

Our Vice Principal **Miss Bushra Irfan** along with our worthy Principal **Mr Saleem Kashmiri** distributed the medals and certificates to the winners.

It goes without saying that everybody appreciated the well organized and well planned event. Teachers learnt a lot under the kind supervision and guidance of Mr Kashmiri who put up a great show.

At the end refreshments were served to the guests and participants.

Here are the results:

### RESULT OF URDU DECLAMATION

1st Position: **Salman Yousaf - Sharif Education Complex**

2nd Position: **Zainab Rafaqat - Divisional Public School**

3rd Position: **Danayal Shahidi - SISA Boys**

### RESULT OF ENGLISH DECLAMATION

1st Position: **Syed Jasam Akhtar - Bloom Field Hall**

2nd Position: **M. Ali Awan - SISA Boys**

3rd Position: **Aqsa Rana - Sharif Education Complex**

Consolation: **Sajjal Rehman Nawaz - DPS**

Team Trophy was won by Bloom Field Hall

## RECREATIONAL TRIPS

### GIRLS COLLEGE

It is human nature that we need some respite after hard and tiring work. Bahria Town College for girls planned a trip for the same reason. Since there was no consensus in deciding a single place, the Principal left it to the choice of the students. Finally "**Nankana Lake Resort**" was agreed upon. The students were very excited when the day arrived. The buses were queued, waiting for them. The Principal, Dr. Noshina welcomed all the students and saw them off after giving some necessary instructions and useful tips. The students chanted happy slogans at the top of their voices.

The girls chit-chatted and sang songs all the way. At last the buses stopped at the Nankana Sahib Gurudwara. The teachers marked the attendance of the students and asked them to line up.

In accordance with the Sikh tradition they were instructed to walk barefeet and keep their heads covered inside the **Gurudwara**. The girls and teachers washed their feet at the main entrance where water was flowing and went inside. After visiting the Gurudwara, they set off for Nankana Lake Resort. The ambience was quite peaceful. The girls were overjoyed; they rowed boats and rode horses. A delicious meal added to their fun. The students and teachers played a cricket match together and that was the most memorable part of this trip.

### BOYS CAMPUS

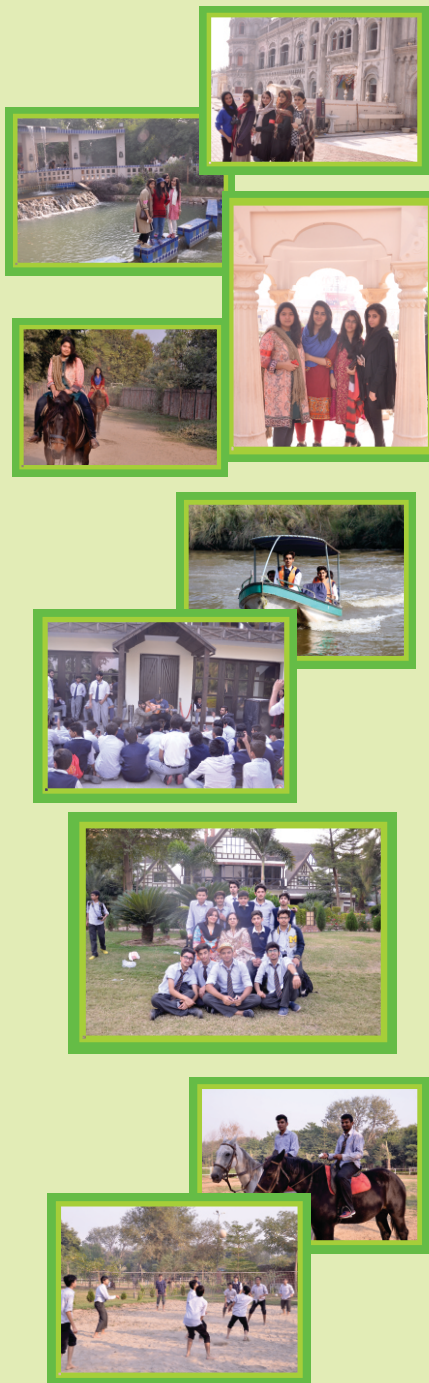

Educational trips can give students exposure to places they might not otherwise visit. Bahria Town School and College arranges Educational trips for students every year. A student who sees and touches historical relics, ancient artifacts and original sources of text becomes motivated to learn more in depth when he returns to the classroom.

Class IV students visited **Bagh e Jinnah** and **Lahore Zoo** on 18th November.

Class V visited **Lahore Fort** and **Badshahi Mosque** on 19th November.

Classes VI, VII and VIII visited **Lahore Fort** and **Badshahi Mosque** on 16th November.

Matric, O Levels and Inter classes enjoyed their day at **Green Fields Country Club** on 14th November.

## GIRLS CAMPUS

BTSC also provided a chance to its students to extract information and entertainment by arranging annual educational/ recreational trip 2015.

Class I & II went to the **Lahore zoo** and **Bagh-e-Jinnah**. Class III, IV & V went to **Lahore Museum** and **Bagh-e-Jinnah**.

Historical places like **Badshahi Mosque** and **Lahore Fort** were visited by Middle School on 17th of November.

The students of Matric classes and O Levels enthusiastically attended their recreational trip to **Green Field Country Club** on 21st November 2015.

## ORCHARD CAMPUS

On 23rd November, 2015 students of Grade I- III went to **Lahore Zoo** for a recreational trip. Visiting a zoo offered so many incredible learning opportunities. While having a fun day exploring, children developed valuable skills and obtained priceless knowledge. Our students were quite enthusiastic. They came to know how animals behave and interact at the same time.

Recreational trips are the biggest source of fondest memories in a student's life and they also get a chance to learn and explore new things away from their regular school environment. On 21st November, 2015 students of Grade IV- VIII got this opportunity. They went to **Changa Manga** along with their teachers. It was a great bonding experience for all.

## SAFETY DAY

Think about young ones and one feels safety should be our top priority. That is why 25th November was observed as 'Safety Day' at Montessori level to ensure, the children get familiar with the basic safety rules.

## PRESCHOOL

## ALL ABOUT SHAPES

On Thursday 26th November, Nursery Class students had fun, learning basic shapes through joyful activity of jumping from one shape to another. The shapes were fixed on the floor for them.

## READING COMPETITION

Prep class students were engaged in a reading activity based on Oxford Reading Tree Books. Such activities not only induce reading skills in the student but stimulate their competitive abilities.

## FUN WITH FRUITS

The young learners of Nursery class who have just stepped out of their homes to seek knowledge are vulnerable and need to be taken care of. To develop healthy eating habits in them a 'Fun with Fruits', week was celebrated from 7th of November. All types of seasonal fruits were mixed to make fruit cocktail and fruit salad. Children were taught to consume healthy food and avoid junk food.

## VISIT TO JOY LAND

To relieve the stress of studies and to give the students a few moments to relax and enjoy themselves a visit to Joy Land was arranged for Nursery and Montessori children. It was a day full of thrill and amusement for them. Every child was immensely delighted that day. Next day, the same fun packed trip was arranged, but this time for our senior kindergarten, Grade Prep students.
