Green Day

Dear Readers,

Creativity is the key to success and teachers make a lasting impact on the lives of the students by involving them in creative activities. To make learning fun, teachers had a series of interesting activities to boost up our students' creativity, in this month. Hopefully you will appreciate our efforts and encourage your child to take part in the events, we have scheduled for them in future.

Enjoy Reading!

WORLD SPACE WEEK

It has been a tradition on the part of BTSC to offer different opportunities to all the students who have the interest and will to seize it. BTSC participated in the World Space Week which was organised by SUPARCO for the English & Urdu Declamation contests. Our brilliant student **Mariam Nawaz** of Inter I got 3rd position in Urdu Declamation Contest. Keeping the tradition **Kashmala Pervaiz** of XI O, once again made us all proud. She won the 1st position in the contest proving that

"dreamers dream; achievers achieve, some will always dream and some will always achieve."

TEACHER'S DAY

GIRLS CAMPUS SENIOR

Recognizing and celebrating the important roles and contributions of the teachers, the students celebrated the Teacher's Day. The students presented their teachers with their small tokens of love and gratitude in the form of flowers and thank you cards. It was on the whole, a day full of colours and sounds with the only purpose behind: to let teachers know how they had touched their students' lives.

GIRLS CAMPUS JUNIOR

The month of October brought an atmosphere of fun, frolic and festivities with it. The early October sun sent the message of good wishes for the teachers. On 5th October, 2015, Teacher's Day' was celebrated with full zeal and fervor in the Junior School. Students prepared lovely and attractive cards for their teachers. They showered flower petals and presented colourful bouquets to their teachers. They showed their respect and love by writing heartwarming poems

URDU AND ENGLISH HANDWRITING COMPETITIONS

Handwriting practice is woven into authentic writing experiences that have meaning to the child----- not isolated drill!

It has been a tradition on the part of BTSC to encourage students in every possible way. Selective students from all grades participated in Urdu & English Handwriting Competitions. Competitions were held to motivate students to write neatly and legibly. Students utilized their skills to write well.

The results are as follow:

ORCHARD CAMPUS

ROLE PLAY ACTIVITY OF SCIENCE

Students of grade VII Maroon performed a role play activity on different types of cells and their functions. Students wore costumes of different cells and discussed their important functions. They also gave a presentation on 'Classification of Animals' in front of whole class and described their particular class and their characteristics.

SHOW AND TELL ACTIVITY

A 'Show and Tell Activity' of science was performed by students of class V Maroon. Students showed different vertebrates and invertebrates in front of whole class and shared their specific properties and classes. They also asked questions from the rest of their class fellows about that organism for better understanding of classification of animals.

POWER POINT PRESENTATION

In order to make students learn how to conquer their fear and how to build communications

skills and confidence of delivering a lesson, an activity on the 'French Revolution' was prepared by Class VIII Maroon. It is always good to start teaching a child, public speaking at its earliest age. It's quite helpful for a child to discover his or her own potential and to boost up confidence. This activity took place on 7th October, 2015 and children enthusiastically participated and shared their individual views on the topic. They ultimately learnt that effective speaking is an integral part to gain attention of the audience. Students of Class VIII Maroon also prepared a power point presentation on 'Digestive System' to understand different parts of digestive system and role of digestive enzymes.

LUNCH BOXES MUST HAVE HEALTHY FOOD

With all the delicious and tempting things to eat in this world, eating healthy can be a struggle but it's entirely possible and yes, one can do it. To develop awareness among students a very interesting activity took place on 16th October, 2015. Students of Grade VII & VIII took active part in describing the pros and cons of healthy and unhealthy foods. Students were dressed up in colourful get ups and became quite successful in elaborating the difference of fruits and vegetables along with the packaged items.

As habit of consuming junk food is increasing day by day. Children come without breakfast and having junk food for their lunch. So it is time to take initiative for training children to bring home made food for lunch and adopt healthy lifestyles, so that we can save our future generations, who are prone to many health diseases like diabetes, heart diseases, obesity, blockage of arteries and many more.

GIRLS COLLEGE

Welcome party for the new college students was arranged by the students of 2nd year at BTSC Girls Campus, Lahore. The aroma of food and colors were all around. It was such a wonderful start for the fall, 2015. Students came enthusiastically to attend the exciting party that had been arranged for them.

The event was started with blistering performance of senior students followed by new students coming in and mesmerized everyone with their exhilarating performance. Short comedy skits were also prepared by the second year students. The crowd shouted and roared until there was no more energy left in them to speak.

The party was managed very well by the combined efforts of students and the teachers. Girls enjoyed to their fullest, and left with a smile on their faces and joy inside.
